

Title: Interstellar Light Henge

Artist: Darcy Meeker presents The Color Project TM

Contact: darcy.sculpture@gmail.com

Website: thecolorprojecttm.com

Brief Artist Biography: Before becoming a professional artist Darcy worked as a science journalist and public relations expert. She was a quilter and photographer. Then she found sculpture and quit her day job. Alabaster, copper, aluminum, pewter, silk, ceramic, encaustic and paint dance in Darcy's world. Visit her fine art website and online shop darcymeeker.com.

Art Statement:

The Color Project TM presents a kinetic art experience of projective, refractive, reflective and absorptive light. We offer a fun approach to exploring color -- printing colors (cyan, magenta and yellow) and TV colors (red, green and blue).
